## Who is Hometown Hero?

We're makers and purveyors of hemp-derived THC and CBD craft goods based in Austin, TX. From the New York Times to High Times, we've gained recognition from features and industry awards alike. And since our founding in 2016, we've donated a portion of proceeds from every product sold to nonprofits that help U.S. veterans in need.

## What is Delta-8?

Delta-8 is a form of tetrahydrocannabinol or simply "THC," derived from hemp. Its effects can vary, but it has been a source of relief, relaxation, bliss, creativity, and just straight-up good times for many.

## What is Select Spectrum?

In short, a blend featuring a 1:1 ratio of CBD to Delta-9 THC, intended for the entourage effect. Because the Delta-9 is hemp-derived and at a 0.3% concentration by dry weight per the 2018 Farm Bill, it's legal in all 50 states.

## What is Live Rosin?

Pressed from fresh, un cured hemp comes a golden sap rich in natural flavor and a preserved terpene profile. When paired with hemp-derived Delta-9 THC, it can help promote the properties of the indica, sativa, and hybrid cannabis varieties.

## 10/10 would Recommend

I love the blueberry gummies! I have one before bed and wake up feeling very well rested. I'm on my 3rd month of a recurring order and will continue it. I think it is a great product and LOVE that it is supporting Veterans!
